NEW PARTNERSHIPS INITIATIVE EXPAND HUMAN DEVELOPMENT ACTIVITY

IRM in coordination with Padiam Pakistan, is conducting projects to improve educational quality in urban districts. As part of the USAID Expand Program, we ensure the success of this project through the Department of Education and Technical Education (DTE), and the District Office.

The USAID Expand Program is a multi-year effort to improve the quality of education in urban districts. The program is implemented by Padiam Pakistan, a leading educational organization in Pakistan. The program focuses on improving the quality of education in urban districts through various activities, including teacher training, curriculum development, and infrastructure improvement. The program is funded by USAID and is part of the USAID Expand Program. The program is implemented by Padiam Pakistan, a leading educational organization in Pakistan. DRIVING WOMEN'S ECONOMIC EMPOWERMENT (BRITISH ASIAN TRUST)

In Sindh, IRM in partnership with British Asian Trust has launched a 3-year programme "DRIVING WOMEN'S ECONOMIC EMPOWERMENT (DWEE)" in Hyderabad, Sindh. Primarily, the programme focuses on women empowerment and development which seeks to improve the livelihoods of women in the rural areas by providing them with livelihood opportunities. The programme will provide women with the necessary skills and training to enable them to start their own businesses and improve their economic status. This will lead to financial stability and economic growth, which will in turn contribute to the overall development of the region. The programme is a key component of the British Asian Trust's commitment to gender equality and women's empowerment in Pakistan.
